

# Candy Sorting

# Candy Graphing

Color in one of each color from your heart candy box below. Then, place all of your hearts next to the colors they are. Last, see how many of each color you have and the total number of hearts you have in all.

	1	2	3	4	5	6	7	8	Total
									
									
									
									
									
									

What color has the **most**? **Least**? Circle the numbers on the graph above.

# Candy Estimates

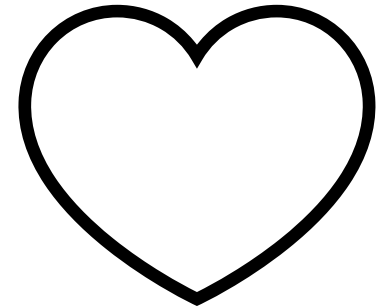

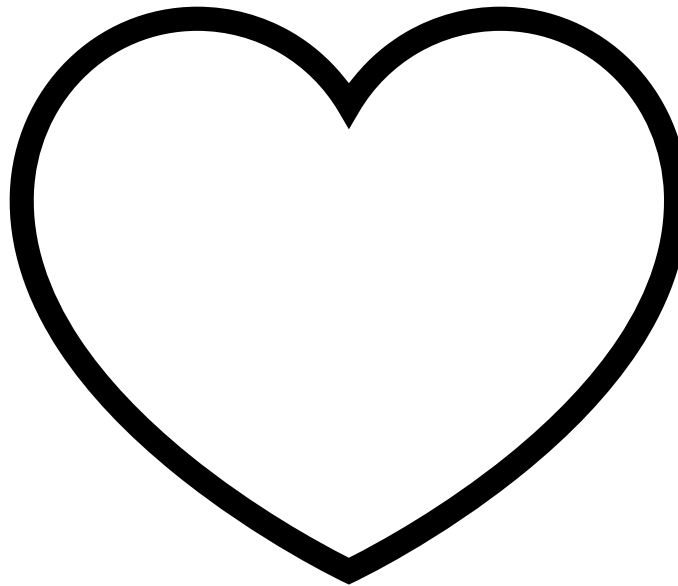

---

How many candy hearts can fit inside these hearts?

Estimate: \_\_\_\_\_  
Answer: \_\_\_\_\_

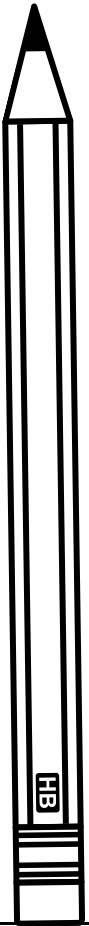

Estimate: \_\_\_\_\_  
Answer: \_\_\_\_\_

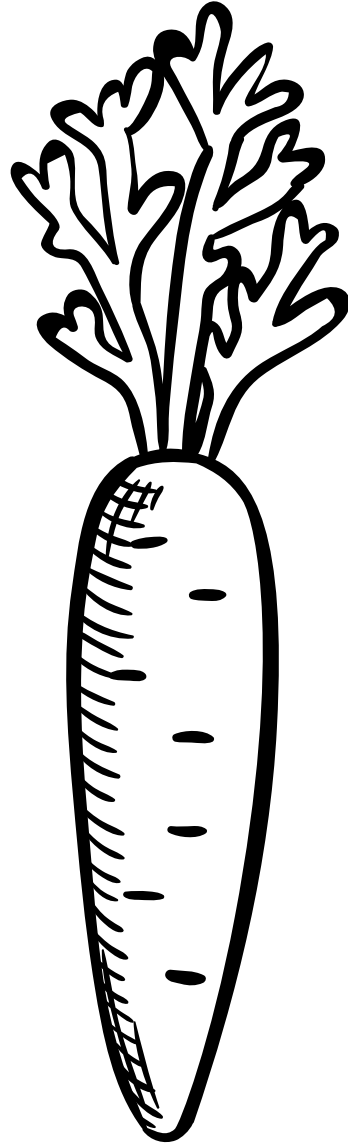

Estimate: \_\_\_\_\_  
Answer: \_\_\_\_\_

# Candy Measuring

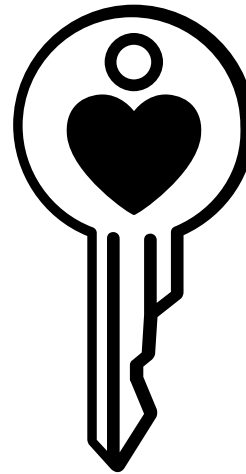

How many hearts long is each object below?

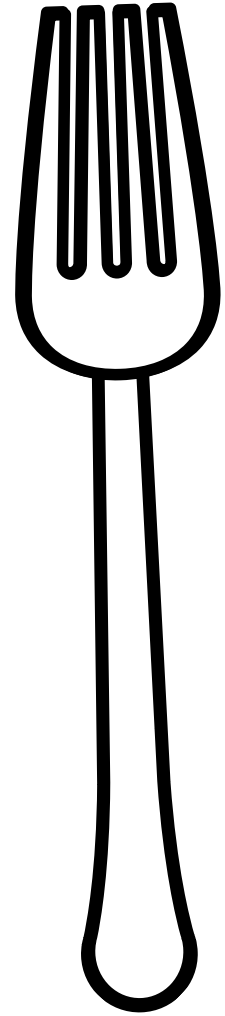

Pencil

Carrot

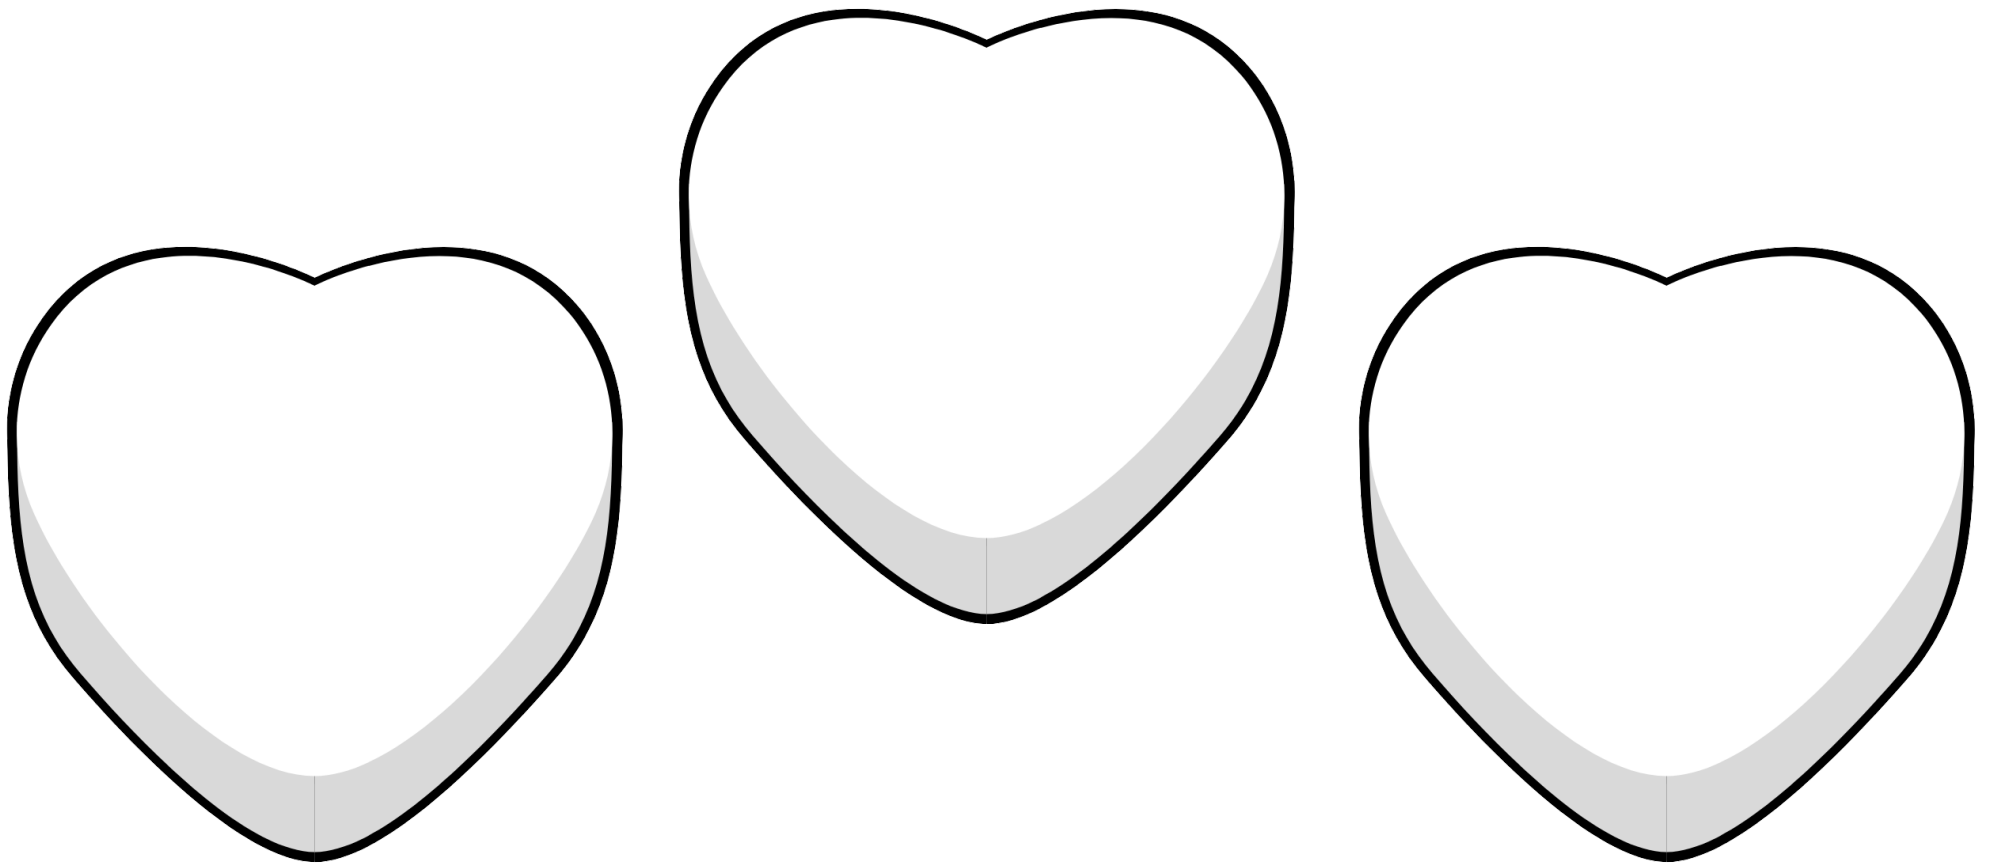

Key

Fork

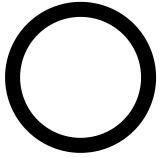

# Candy Design

If you could make your own candy hearts, what colors would they be?  
What would they say?

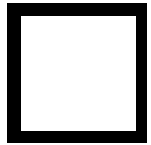

# Candy Shapes

What shapes can you make out of your hearts?

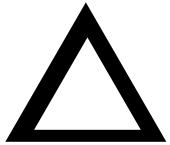

Circle

Square

Rectangle

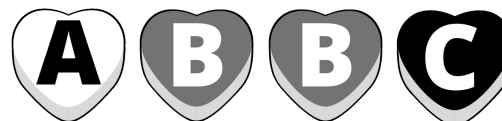

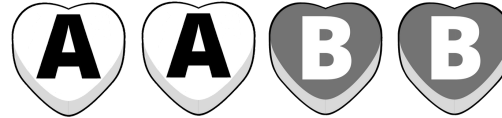

Triangle

Heart

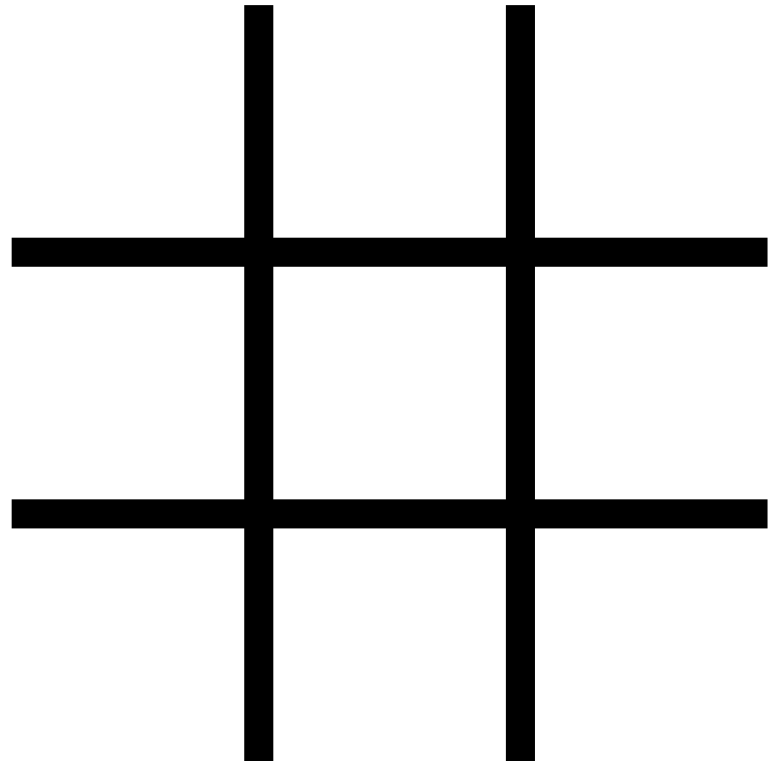

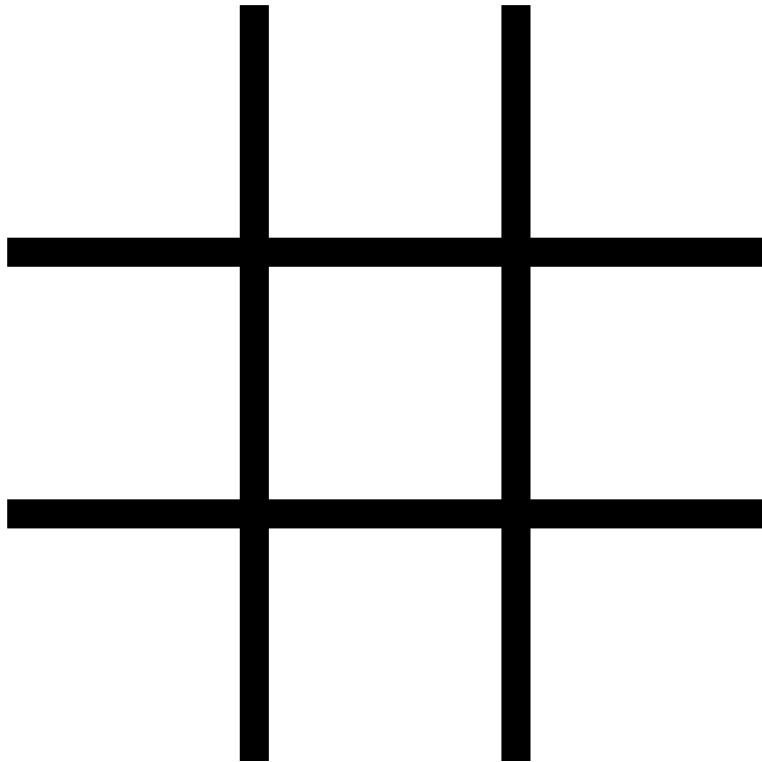

# Candy Patterns

Make the patterns below using your hearts.

# Candy Tic Tac Toe

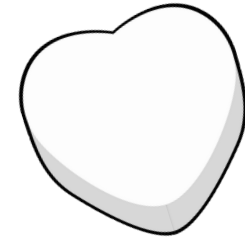

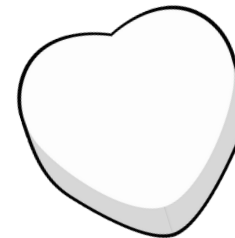

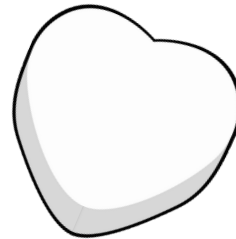

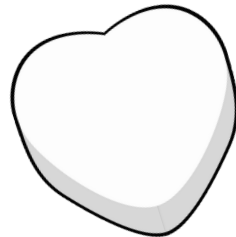

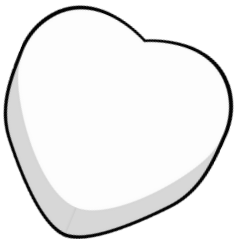

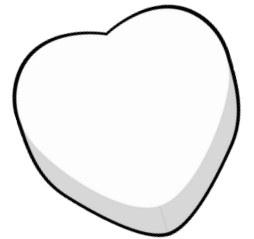

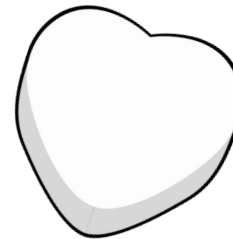

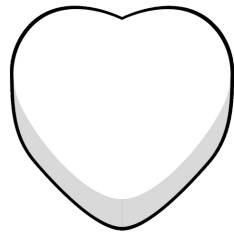

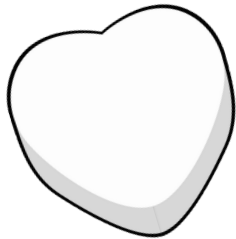

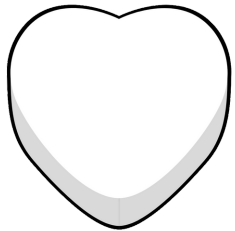

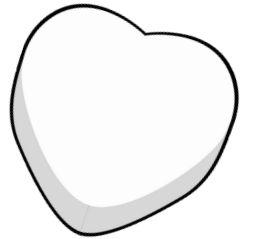

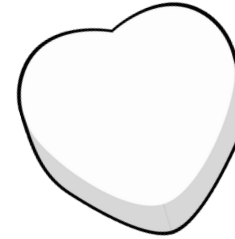

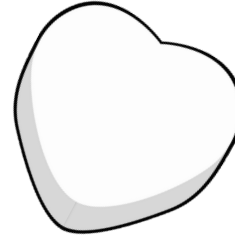

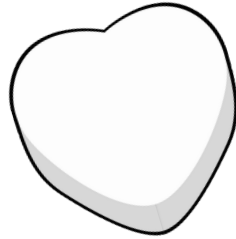

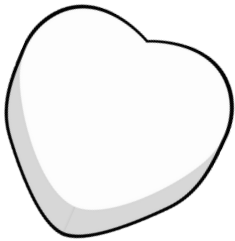

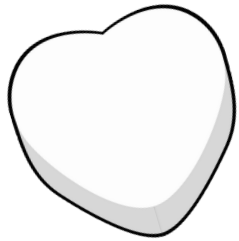

Use your hearts for the X's & O's. Each player choose a different color of hearts to use.

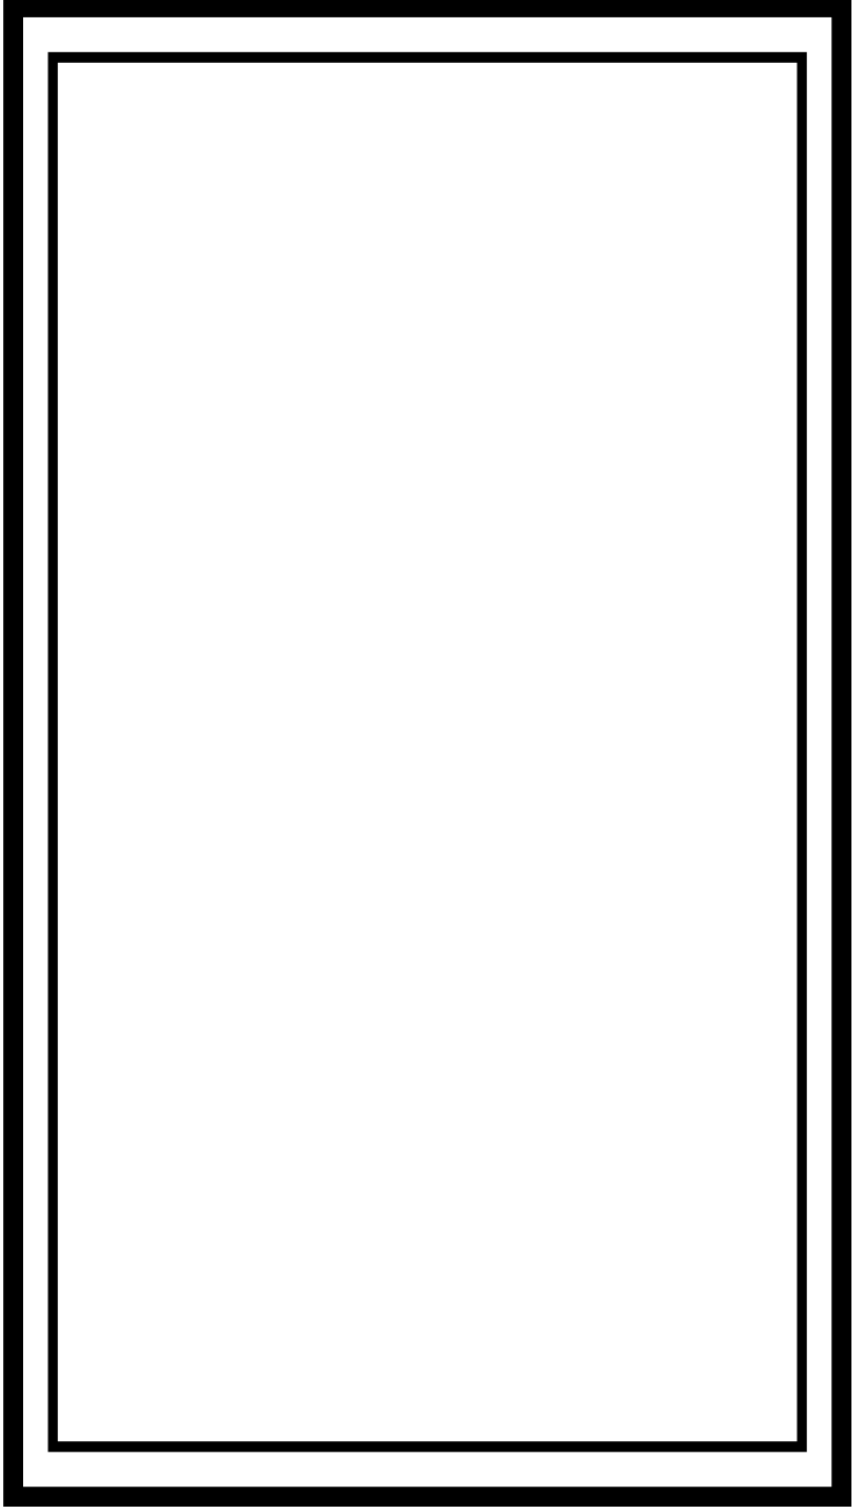

# Candy Review

Inside each heart place a word, number, or letter. Review by coloring the hearts when an adult says what's inside it.
